From York: I-83 north; Route 322 east; follow Route 422 east into Annville.

Why should you attend the 2015
Lebanon Valley Cardiovascular
Symposium?

Last year's participants said the symposium exceeded expectations with excellent speakers and a clinically relevant program.

QUALITY - 94% of 2014 symposium attendees gave the program the highest rating **Excellent**.

EDUCATION - 100% of 2014 symposium participants met program educational objectives.

PATIENT CARE - 80% of attendees said the information presented at the 2014 symposium would somewhat or very much impact their patient care.

The 2015 symposium promises to provide an even greater impact with extended presentations by visiting and local faculty.

*A full schedule of topics and presenting faculty is included inside. **Plan now to attend this educational event on Saturday, May 30, 2015***

Schedule at a Glance

Saturday, May 30, 2015

7:30 - 7:55 a.m.	Registration and Continental Breakfast
7:55 - 8:00 a.m.	Welcome Remarks
8:00 - 8:30 a.m.	Preoperative Cardiac Risk Stratification, Dr. Tadjewski
8:30 - 9:10 a.m.	Top 5 Evidence-based Practices to Improve Outpatient CV Care, Dr. Mulukutla
9:10 - 9:50 a.m.	Role of Varicose Vein and Venous Insufficiency Treatments, Dr. Griffin
9:50 - 10:05 a.m.	Ask-the-Experts Refreshment Break
10:05 - 10:45 a.m.	Outpatient Evaluation and Recognition of Pulmonary Hypertension, Dr. Dmitriy Zubkus
10:45 - 11:15 a.m.	Management of Hypertension and Concomitant Renal Disease, Dr. Joffy
11:15 - 11:45 a.m.	Anticoagulants for Atrial Fibrillation, Dr. Ezekowitz
11:45 - 12:25 p.m.	Which is Better? Rate or Rhythm Control for Atrial Fibrillation, Drs. Stevenson and Williams
12:25 - 2:30 p.m.	Luncheon, Dr. Williams, American College of Cardiology Patient Safety Maintenance of Certification Module (<i>Counts as Patient Safety for PA State Requirements</i>)

Educational Outcomes

Upon completion of this program, attendees should be able to:

- Identify the role of and describe appropriate preoperative cardiac risk stratification.
- Recognize important evidence-based techniques to improve outpatient cardiovascular care.
- Describe the diagnosis and treatment of venous insufficiency and the role of varicose vein and venous insufficiency treatments.
- Identify outpatients with pulmonary hypertension and the evaluation and recognition of pulmonary hypertension.
- Describe the management of hypertension with concomitant renal disease.
- Identify the role, indications, and risks of novel oral anticoagulants for atrial fibrillation.
- Recognize and describe the pros and cons of rate versus rhythm control for atrial fibrillation.
- Understand common errors that result in reduced patient safety and adverse outcomes. Explain what tactics and activities can be implemented to prevent future errors from occurring.

Pennsylvania
CHAPTER

The Lebanon Valley Cardiovascular Symposium appreciates the support of the PA Chapter of the ACC for their partnership in this activity.

Faculty

Michael D. Ezekowitz, MB, ChB, DPhil
Professor of Medicine, Jefferson Medical College
Director of Atrial Fibrillation Research & Education, Cardiovascular Research Foundation

David Griffin, MD, FACC
Director, Venous Ablation, Lebanon Cardiology Associates

Sergei Joffy, MD
Lebanon Nephrology Associates

Suresh Mulukutla, MD, FACC
Director of Interventional Cardiology for the UPMC Presbyterian University Hospital and the UPMC Heart and Vascular Institute (HVI). Director of the HVI's Center for Quality, Outcomes, and Clinical Research (CQOR)

Robert Stevenson, MD, FACC
Co-Director, Invasive Cardiac Electrophysiology, The Good Samaritan Hospital

Edward J. Tadjewski, MD, FACC
Director, Cardiac Rehabilitation Interventional Cardiology, The Good Samaritan Hospital

Jeffrey L. Williams, MD, MS, FACC, FHRS
Director, 2015 Lebanon Valley Cardiovascular Symposium; Governor-Elect, American College of Cardiology, Eastern Pennsylvania; Director, Invasive Cardiac Electrophysiology, The Good Samaritan Hospital

Dr. Dmitriy Zubkus
Director, Pulmonary Hypertension Program
Attending Pulmonologist and Intensivist
WellSpan York Hospital, York, PA

Target Audience:

Primary Care Physicians, Cardiologists, Internists, Mid-Level Providers, and Nurses.

Date and Location:

Saturday, May 30, 2015 at Lebanon Valley College

Course Overview:

This course is designed to narrow the knowledge gap that currently exists in commonly encountered yet, oft-not discussed, clinical conditions. The symposium's goal is to contribute to the lifelong learning necessary for our regional healthcare system (Good Samaritan) to provide patients an evidence-based, interdisciplinary, patient centered care paradigm.

Accreditation Statement:

Good Samaritan Health System is accredited by the Pennsylvania Medical Society to sponsor continuing medical education for physicians.

Designation Statement:

Good Samaritan Health System designates this Live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

Free Registration (space is limited):

Includes course registration, course syllabus, continental breakfast, refreshment break, and luncheon.

Conflict of Interest:

Faculty participating in continuing medical education activities sponsored by Good Samaritan Health System is expected to disclose to the audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation.
